Dear Folks,

I am well, happy and safe
and I hope you all are the same.

I haven't received any of those
packages yet but I am still patiently
waiting.

Send me some film size 616 and I'll
see what I can do about getting
a picture for you. I'll send you
a camera (with film) and you will
be sure of getting a picture of me.

Don't forget, you can't take pictures
without a camera. You can
even send me a cigarette lighter with
a lot of flint.

That's all for now. Love + Kisses
