Dear Toke,

I am well, happy, and safe and I hope you all are the same.

The weather has been pretty good around here lately but I see where you are having it pretty rough back there.

Did you get the package I sent home yet?

In case I didn't tell you, I took some pictures the other day but I haven't had them developed yet. I mean the other fellow hasn't had them developed yet. They were his film and camera.

When you send the cigarette lighter don't forget the flint and plenty of flint.

Love & Kisses
