Dear Folks,

April 3, 1945

I am well, happy and safe
and I hope you all are the same.

I received a package, from
Uncle Charlie a couple of days ago.

Things are going along just as
smoothly as ever over here. We just
finished eating pancakes, pork sausage,
pineapple, cereal and coffee. Sounds good,
doesn't it? Don't judge the book by its
cover, though.

I guess that's about all except I'm
glad to hear about the Golden Wedding Anniv.
Which I were there. Give my love to Spring St.

Love & Kisses
