Dear Son: We are all ok. here and hope you are the same. Had to get up earlier this morning & take Robert to work. Seems that all I can do, is, work, get a little sleep and work again. With a bite to eat in between. But am broadminded enough to realize its nothing to what you & the boys are going through. Being earlier than usual I took advantage of opportunity to write to you. R.M. is trying to sing some sort of a song. She asked me to mention her & send you 56 kisses. She counted up to 56 before she made mistake. Missed 57 & 58. and jumped to 59. Read the boys are advancing on Bologna hope & pray you all have an easy time of it. Do not know what else to write about, so shall go out, feed chicks and tend to rest of chores. Love & kisses
